STATE REPRESENTATIVE

Marlin D. Schneider

D E A N O F T H E A S S E M B L Y

TO: Steve Miller
FROM: Marlin Schneider
DATE: November 21, 2002
RE: Bill Drafts

Enclosed is a copy of the August 7, 2002 Legislator Drafting Status Report. I would like those items which I have checked to be redrafted for the 2003-04 Legislative Session.

In addition, I would like a Constitutional Amendment exempting, or limiting the responsibility, of senior citizens from certain tax liabilities. This amendment should be based upon current Michigan law.

Also, I would like a bill that would place child support offenders who are sentenced to jail for non-payment to be placed under the Huber Law so that they can earn money that goes directly for child support.

If you have any questions please do hesitate in contacting me at 6-0215.

"Your representative owes you, not his industry only, but his judgment; and he betrays, instead of serving you, if he sacrifices it to your opinion." Edmund Burke Nov. 3, 1774

DRAFTER'S NOTE

The text of this bill is identical to a budget amendment of Rep. Schneider to the Joint Committee on Finance substitute amendment to the 2001-03 biennial budget bill (AA-130 to ASA-1 to 2001 SB-55), except that it replaces "annual mileage" with simply "mileage" and removes the requirement that revenues be collected on the basis of such mileage "at the end of each calendar year." These changes are made because otherwise the intent of the bill could be thwarted by the use of mileage data on a basis other than annual mileage or the collection of revenues at ^a time(s) other than the end of the year (July 1, for example).
